ABOUT SHARON LEE

Sharon Lee Williams is the creator and host of OutRaised Voices and the author of her upcoming memoir, "OutRaised: Finding My Voice Beyond Foster Care."

Raised in foster care, Sharon Lee spent years searching for answers about where she came from and where she belonged. Her journey led her through music, television, and storytelling – and ultimately toward a deeper understanding of voice, identity, and healing.

With more than five decades in the entertainment industry, Sharon Lee has worked as a vocal coach, recording artist, songwriter, and television host, helping others find the courage to express themselves.

Through music, storytelling, and honest conversation, Sharon Lee invites audiences to step out of invisibility and into possibility.
